

SAN JACINTO RIVER WASTE PITS
TENTATIVE AGENDA (revised) FOR MAY 1, 2009 FLOTILLA
(Bring something to eat on the boat)

10:00 Meet at River Terrace Park in Channelview.

10:30 Depart in boats. Travel to southern impoundment area; northern impoundment area; get out and walk on northern impoundment area.

11:30 Leave northern impoundment area. Toxicologists and Risk Assessors will travel to reference station 11197, reference station near Highlands Acid Pit, and reference station 16622.

Harris County representatives, Steve and Marshall may not make it all the way to reference station 16622.

1:30 Leave reference area 16622 and travel to reference stations on the Houston Ship Channel: 11267 and 11270.

Harris County representatives, Steve and Marshall will likely meet back up with the Toxicologists and Risk Assessors at this point.

2:30 Leave Houston Ship Channel reference stations. Harris County representatives may elect to separate at this point and head back to River Terrace Park. Marshall and Steve will accompany Toxicologists and Risk Assessors to reference stations 16496 (Burnet Bay) and Cedar Bayou.

4:00 Leave Cedar Bayou and return to River Terrace Park. Look at Old River reference station on the way back.

4:45 Arrive at River Terrace Park.
